

Pencil Drawing Course - Draw a Rose Introduction

In this course, we'll be learning to draw a beautiful rose. We break down each step, starting with the innermost petals and working outwards. You will end up with a beautiful, completed pencil work of art.

Each process is broken down into easy to manage sections and all videos are in real-time. You can do this course at your own pace.

Before you start the videos please refer to the PDF's supplied.

The contents included in this course are as follows:

PDF CONTENT

- Introduction.
- Materials list.
- Digital download template.
- Your art onto products.

VIDEO CONTENT

- Video 1 - Materials and initial construction. 9 min.
- Video 2 - Shading. The first pass. 21 min.
- Video 3 - Shading. The second pass. 15 min.
- Video 4 - Shading. The third pass. 14 min.
- Video 5 - Final detailing. 27 min.

TIPS

- Take your time and enjoy the process.
- Pause the video if it goes too fast for you.
- Always keep a separate sheet of paper handy to test techniques on before working on your master, if you aren't sure how it will look.
- Try not to be critical of your work as you won't see the best results until the very last step.

When you have finished your work, please consider sharing your image on our social media links below.

Thank you so much and we hope you enjoy this workshop!

"Loved it - bite sized, great way to spend an hour or so as a family experiencing something together that none of us have done before.

*Very special, very relaxing, calming and grounding!
Thank you for the opportunity – who knew I could draw a rose?!!"*
