

Your Artwork onto Cushions

Have you created something wondrous in our arting workshops? If so, we can take your beautiful artwork and turn it into a beautiful product.

We can take your artwork and print it onto our luxury quality vegan cushions with a soft faux suede finish. We can add a message to the front and provide a range of reverse colours to choose from.

CUSHION DETAILS

Unlike inferior 'printed on' methods, this cushion uses dye sublimation printing technology which heats and dyes the image into the fabric providing a washable, colourfast and wear-resistant finish. These are not cheap quality cushions, they are extremely well made, beautifully plump and durable.

COST

£38 for one cushion or £69 for two.
Postage is included.

ORDER YOUR CUSHION

Take a high-quality photo of your artwork in daylight and email to: info@theartouseoasis.com.

Please include the following details:

1. Reverse colour choice.
2. Quantity.
3. Any message that you want written on the front of the cushion.
4. Your full name and address.
5. Pay your fee to paypal.me/theartouseoasis.

We will then scan, edit and send a proof mockup of the cushion via email to you. Once approved we'll print your product and post it directly to you.

PRODUCT SPEC

- Size: 45cm x 45cm.
- Care instructions: Machine washable at 30 degrees: Where a black suede back is chosen in conjunction with a light image we recommend washing by hand.
- Filling: Fibre
- Finish: Soft faux suede
- Reverse colours: 10 available
- Made in the UK

DELIVERY

This item is a print-on-demand method where items are printed when an order is made. Your cushion will then be delivered via Royal Mail. This means that delivery may take a few days longer to arrive.

RETURNS & REFUNDS

In the unlikely event that your product is faulty please contact us within 14 days of receipt.

Your Artwork onto Face Masks

Help protect yourself and those around you with your own design printed onto personal-use reusable, washable filter face masks. Suitable for prolonged use, in a non-medical setting.

Many facemasks are single-use and cannot be recycled. This is having a massive impact on the environment. We comply with current Government guidelines recommending that face coverings are reusable. These masks won't necessarily stop you from catching Coronavirus, but they can help to reduce the chance of spreading infection.

Our enhanced facemasks offer extra protection. They come with a pocket and two carbon filters. If you choose not to replace the filters you can insert a couple of tissue layers into the pocket instead. Our facemasks are exceptionally comfortable and generous in size. They have cotton inners, adjustable ear straps and an adjustable nose bridge.

COST

£59 for 3 facemasks (minimum run).
Scanning and editing, 6 filters and postage included.

ORDER YOUR FACE MASK

Take a high-quality photo of your artwork in daylight and email to:
info@theartthouseoasis.com.

Please also include the following details:

1. Quantity (minimum run is 3 of the same design).
3. Any message that you want written on the front of the face mask.
4. Your full name and address.
5. Pay your fee to [paypal.me/theartthouseoasis](https://www.paypal.me/theartthouseoasis).

We will then scan, edit and send a proof mockup of the product via email to you. Once approved we'll print your product and post it directly to you.
